### Dear Padre

### GOOD NEWS

Humble souls have a special ability to see things. We exclaim, “Out of the mouth of babes” when kids say the darnedest (and most profound) things (Matthew 21:16 and Psalm 8:2-3). What their uncluttered minds can catch and express with blatant honesty can be refreshing and funny.

Jesus enjoys this simplicity as well. He rejoices because, while “the wise and the learned” have rejected his preaching and mighty deeds, the childlike have embraced them. They are not afraid of the implications; they simply are amazed, impressed, and accept that no one but God could do such things. Perhaps this is why angels are often painted like little children!

Jesus can speak of heavenly mysteries because he is the Son. The Father and he are one and share in the fullness of knowledge. Christ sits in glory surrounded by cherubs and angels, yet comes down to reveal what the Father has given him. Let's embrace all of his revealed word with childlike faith and not just pick and choose what suits us.

Another characteristic of little children is unending energy. It comes partly from their age but also endures because they don't waste energy worrying or thinking about things they cannot control. They don't plan, project, or prioritize.

### For Reflection

*How can I yoke myself to Jesus, my Lord and king?  
What burdens, stressors, or disappointments can I hand over to God this week?*
